

## PROFESSIONAL GENEALOGISTS

The Society of Colonial Wars in the State of North Carolina offers the following list of professional genealogists with contact information as a service to applicants for membership who may need the assistance of a professional researcher. All genealogists listed have indicated they specialize in North Carolina family history research, although they conduct research about residents of other states as well.

v

NOTE: While several of the genealogists listed below live and work in Utah, keep in mind that the Church of Latter Day Saints (Mormon Church) has one of the largest genealogical collections in the world. Utah genealogists' accessibility to these collections may give them an advantage over others.

CAVEAT: The Society does not endorse or recommend anyone listed. The names and addresses of these professional genealogists were obtained from several sources, among which were Internet postings. The Society of Colonial Wars in the State of North Carolina will not be involved in your arrangements with a genealogist.
